Good morning,

We hope this email finds you and your families safe and well. We will begin the process of returning locker contents to students/families next week beginning Tuesday, April 14th. Each student will have an allotted date and time to come and retrieve items. If you are unable to make it during this scheduled time due to emergent circumstances, please let the school know immediately at: hms.info@mpsd.ca.

- **PLEASE DO NOT COME TO THE SCHOOL UNLESS IT IS YOUR DESIGNATED DATE AND TIME AS WE WANT TO ENSURE APPROPRIATE PHYSICAL DISTANCING IS MAINTAINED.**

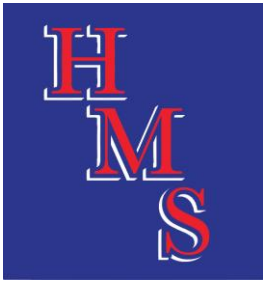

Notification of Date and Time

- A schedule for pick-up is at the end of this document. Your child's date and time corresponds with their assigned **Homeroom teacher from Term 1, Day 1, Block 1**.
 - *Students enrolled in rotational classes (electives) for Term 1, Day 1 Block 1, will receive a separate email to ensure they have the correct information.*
- During this time, we are asking that all school textbooks, novels, resources etc. be returned. We will have bins for these items to be placed in.
- Access to the inside of the school will not be granted to anyone. Retrieval will occur outside the side exit doors of the large gymnasium, adjacent to the bus loop.

Procedure

This procedure process will be very similar to a fast-food drive thru experience.

- Please enter the school via **Moffat Ave. (Front entrance)** and drive to the bus loop area. **PLEASE DO NOT ENTER THROUGH THE BACK ENTRANCE (Dewdney Trunk Road) as this will be the exit.**
- There will be two bins for dropping off school resources (1. Textbooks, 2. Library/Novel Books). Both will be labelled.
- Please stop at the first gymnasium (side) door to state your child's last name and Homeroom teacher. You will then be asked to drive forward to the next door to retrieve items.

- A school district employee has pre-bagged locker contents. This bag will have your child’s name and will be placed on a table for your retrieval. **Please exit your vehicle to retrieve your items to ensure Physical Distancing is maintained.**
- Please take the contents and **exit via the Dewdney Trunk Exit** (back entrance of school).

Should your child not have locker contents but has school resources; please return them during this time.

Thank you for patience and understanding with this process as returning items in a safe manner is our priority. Should you have any questions please contact the school at hms.info@mpsd.ca.

Sincerely,

M. Gabriele
