Dear Families,

A friendly reminder, our first day will be on September 5th, 2023, but will only have our grade 7 students attending for a half day (11:37am dismissal). The students will arrive on campus and look for the homerooms. The classes are posted in our main entrance and by the cafeteria. We will have our leadership 9 students on site to help direct the students.

After they locate their homeroom, they will go to the main field on the track and line up according to their homeroom teacher. Staff will arrive after the bell and bring their classes in for the remaining time. Teachers will provide students with their schedules, do a soft tour, go over key information, and help with any questions.

There will be no cafeteria food during the first week but, we will be selling pizza each of the days. Pizza will be sold **September 6th-8th with cash only** as our café cards are not ready until next week. Pizza is \$2 a slice for cheese, ham & pineapple, and pepperoni. Students may also buy a bag of chips or a drink for a \$1 each.

Please ensure families access our online system and pay for the activity fees and lockers. This can be done by logging onto school cash <https://mpsd.schoolcashionline.com/> . If you have any questions, please reach out to our office team at hms.info@mpsd.ca . If families have any financial hardship, please reach out to our office or admin team.

Absences can be reported using the school app, My School Day or by emailing hms.info@mpsd.ca .

We encourage students and parents to download the My School Day app which is available on apple and android devices.

Those who are registered for bussing, will receive an email from the transportation department by end of day Friday with the details. Bus registration must be done annually each year for every student.
