T (604) 826-3651

F (604) 820-9209

Good afternoon,

We hope this letter finds you well.

As you may be aware, Hatzic Middle School will be opening in a limited capacity as of June 1, 2020. **School will not be mandatory but rather optional. Attendance is a parent/guardian decision.** Students will have the option to attend tutorial sessions with instructors during specific, scheduled visits. **Full-day schooling will not be returning during this time.** Families may choose to continue full-time online learning, or they may choose to have children attend during specific scheduled times while also continuing with online learning.

### **Format: Scheduled Tutorials**

Each teacher will be on HMS campus one day a week (Monday, Tuesday, Wednesday, or Thursday) for a scheduled time period. Students will be able to book a tutorial time to meet with instructors during a teacher's scheduled day. Students will not be receiving instruction on new materials but rather additional support on existing work as needed. This will be an extension of the current online learning students are currently receiving. Teachers will not be presenting new lessons.

Students wishing to attend must schedule a time with each instructor. **Drop-in visits will not be permitted.** This is following Health and Safety guidelines and will ensure appropriate total population numbers are followed in order to maintain proper physical distancing. Each tutorial session will not exceed 6-7 students per classroom to ensure physical distancing is maintained. Tutorial times must be adhered to. Upon completion of such time, students will be asked to leave campus. Students may attend sessions on multiple days.

A teacher schedule has been attached to this document. A link will be provided later this week should you choose to schedule your child with the appropriate teacher. We will email this link out as soon as available.

Please encourage your child to bring their own technology or the technology already provided by the school.

### **Transportation**

**Busses will not be in operation.** Please make appropriate transportation arrangements for your child. Students will be required to leave campus upon completion of their scheduled tutorial. Student drop off and pick-up may occur at the bus loop.

**Access to the building will only be through the main doors adjacent to the main office.** Students will be asked to sign in and wash hands upon entry. Student washrooms will be accessible by the main entrance.

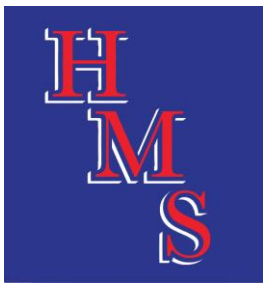

**Only students will be allowed to enter the building.** Parents/Guardians will need to contact the school should they have questions or concerns.

We thank you for your support and patience during this difficult time. Should you have any questions please contact the school at [hms.info@mpsd.ca](mailto:hms.info@mpsd.ca).

Best wishes,

A handwritten signature in black ink, appearing to read 'M. Gabriele', is written in a cursive style.

M. Gabriele  
Principal
